Paperless Billing

This option allows you to receive statements electronically, via email, rather than through the mail. One of the online payment options describe below is recommended for those who enroll in Paperless Billing.

Level Pay

There are a couple of changes to this program under the new system: It's now known as Budget Billing and enrollment is open year-round. You can enroll through the customer self-service portal.

Pay Online

Make a one-time payment using our secure network. If you typically choose this option, please allow yourself a little extra time to pay this first bill since you'll need to register for the customer self-service portal before completing the transaction.

In-person Payment/Kiosk

Payments can still be made in the Treasurer's Office at City Hall, 308 Constitution Way. But, kiosks are also located for your convenience at this same location 24 hours a day, and at 140 S. Capital from 8 a.m. to 5 p.m. The drop box is also located in the parking lot at 308 Constitution.

Auto Pay

This option allows you to automatically pay your bill each month with a bank draft, credit and debit card. You can enroll through the customer self-service portal.

Pay by Phone

This option will allow you to pay your bill with a credit or debit card by calling 1-855-594-0612. You'll also be able to check your account balance and bill due date, and confirm the amount of your most recent payment.
